

GreatAuPair Childcare Reference Form

GreatAuPair is a full-service au pair agency that has been providing affordable live-in childcare to American families through carefully screened international au pairs since 2001. As part of our screening process, we require that each au pair submit references confirming her/his suitability to care for children up to 45 hours per week.

In addition to completing this form, a GreatAuPair representative will be contacting you to verify your reference. If you do not speak English, please complete the form in your native language. Thank you.
